FACULTY PREAMBLE

The provision of facilities for legal education was one of the strong recommendations in the Turner Report (Higher Education in Namibia: Report of a Presidential Commission, Windhoek 1991), which stated, inter alia:

"We have been impressed by the argument that in Namibia, law is a developmental subject; much of the current legal system was distorted by the tenets of apartheid. Although the ideology is now outlawed by the Constitution, a massive effort is needed to revise the legal system to make it a suitable expression of the Constitution." (p 100)

In evaluating the Turner Report (which, despite the quoted view, opted for a two - step - approach according to which a faculty was to succeed a department after a period of consolidation), the Joint Technical Committee under the then Vice Chancellor - Designate, Prof. PH Katjavivi, proposed to the Cabinet of the Republic of Namibia the establishment of a faculty of law from the outset. The Cabinet approved the establishment of a faculty on 19 November 1991.

The year 1992 became the year of planning; the year 1993 the year of implementation. The Law Faculty Sub-Committee of the Office of the Vice Chancellor - Designate was put in place. It was chaired by the Founding Dean of the Faculty, late Prof. WJ Kamba. The late Adv. FJ Kozonguizi, Ombudsman of Namibia, functioned as its convener. The membership covered a broad spectrum, having representatives from all walks of the legal fraternity.

The deliberations of the Sub-Committee led to a comprehensive report on how the future faculty should be shaped. After consultations with national and international experts, the report was eventually submitted to the Vice Chancellor of the UNAM and approved for implementation by the University by the end of 1992.

Apart from the LL B component, the Report also dealt with other components of the proposed Faculty. It contained recommendations on what developed into two separate centres of the Faculty, the Justice Training Centre (JTC) and the Human Rights and Documentation Centre (HRDC). Both centres were created by way of contractual agreements between the Ministry of Justice and the UNAM. The Faculty started its preparatory work in early 1993 and admitted its first students in January 1994.

The formal launch of the JTC took place on 20 September 1993; the HRDC was launched on the occasion of the workshop on "Human Rights Education and Advocacy in the 1990s" which was held in May 1993. The Faculty of Law was officially inaugurated by the Chancellor of the UNAM, His Excellency President Dr SS Nujoma, on 18 February 1994.

The Legal Department of the Centre for Applied Social Sciences (CASS) was affiliated to the Faculty of Law of the UNAM with effect from January 1994. The main aim of the affiliation was to make the services of CASS, in terms of generating legal research and providing technical assistance (mainly in customary, but also in other areas of law), available to the Faculty of Law.

Departments of Public Law and Jurisprudence, Private and Procedural Law, and Commercial Law were established in 2000. The JTC and the HRDC have the status of departments. The Director of the JTC and the Director of the HRDC are, thus, ex-officio members of the Senate.

After two years of experience with the curriculum of the degree of LL B, a curriculum revision took place. It led to a new degree structure with the degree of B Juris after three years of studies and the degree of LL B after two additional years. The first students of the Faculty completed the B Juris at the end of 1996 and the LL B programme in 1998.

The B Juris qualifies the holder to employment, after the appropriate practical preparation, into the magistracy, the prosecution service (in the lower courts) and into those areas that do not require a full legal professional qualification. For entry into full membership of the legal profession and the practice of law in Namibia in terms of the Legal Practitioners, Act 15 of 1995, the LL B degree is a prerequisite.

The JTC of the Faculty offers practical legal courses to candidate legal practitioners. The JTC examinations are conducted under the supervision of the Legal Education Board as part of the requirements for admission for practicing law.

Post-graduate programmes with two offers to obtain the degree of LL M in Economic Law and the Law of Criminal Justice have been offered from 2000 and phased out at the end of the 2005 academic year. As from the 2006 academic year the Faculty offers the Master of Laws by research only in any area of law.

All LL B students are required to write a dissertation in their final year. In order to expose students to various research techniques, lectures and/or seminar on research methods will be conducted during the first semester of the first year of the LL B programme. In writing the dissertation, the student should seek to provide clear analytical methodology and clearly articulated theoretical perspectives on the subject matter. The dissertation may not be wholly theoretical, but it should have a theoretical component in examining the problem area chosen.

K.9.2 SELECTION OF TOPICS

Subject to availability of supervisors, any area of law may be selected as a dissertation topic.

K.9.3 SUPERVISION

Each student will, as far as possible, and depending on the lecturer's expertise, be allowed to have a supervisor of his/her own choice. Where a student is unable to secure a supervisor of his/her own choice, the co-ordinator of the Course "LL B Dissertation" shall allocate a supervisor to the student. The co-ordinator reserves the right, in appropriate circumstances, to re-allocate a supervisor to the student.

K.9.4 STAGES OF DISSERTATION

The writing of a dissertation is a yearlong process which requires self-discipline and organisation. To ensure that the highest quality work possible is produced, students are required to submit three preliminary documents during the course of the year indicating the progress they have made. Each student must produce each of the three documents by the dates specified. Students should please note:

- K.9.4.1 All documents from the general proposal to the final dissertation are to be handed to the Faculty and each student must ensure that he/she signs against his/her name on the list provided by the Faculty. The documents shall then be distributed to the lecturers concerned by the co-ordinator.
- K.9.4.2 All documents shall contain
 - the title of the dissertation,
 - the student's name,
 - the supervisor's name, and
 - the date of submission.
- K.9.4.3 The usual academic rules on citation of works consulted are to be fully complied with. Plagiarism - the passing off of the thoughts and ideas of others as one's own, - whether deliberate or not, will be severely penalised.
